Dear Valued Client,

With the increased concern regarding the Coronavirus, we wanted to reach out to you to let you know that we are striving to do our best to protect the safety, health, and welfare of our employees and our clients. At Levan Road Veterinary Hospital, we are happy to remain open to continue to provide you with quality care for your pet. We do ask that you please refrain from coming into the hospital if you are sick or have family members with fever or respiratory signs. Please limit the number of people with you during your pets visit to the hospital. We will be happy to conference with you via phone or video and will come out to your car and bring your pet in, if needed. We will continue to welcome you and care for your pets.

In Good Health,

Doctors and Staff of Levan Road Veterinary Hospital
